

SOCIAL SECRETARY'S REPORT 2015

Our Summer BBQ was kindly hosted by Sue and Robin Davies, allowing us to take over their lovely garden in Probus. As always the weather forecast was not good but the rain held off for the evening. Our new marquee was put to good use covering the tables full of the dishes we had all bought to share. Robin and Patrick manned the BBQs cooking delicious steaks and sausages while Dom worked his magic with the fish. All in all a lovely friendly evening.

December.

35 of us enjoyed a delicious Christmas Dinner at the King's Head Ruan Laniorne. With good food and good company I hope everyone enjoyed themselves.

Any ideas for other social events? It doesn't have to be Bee related. Please let me know.

This coming year will be my 4th as your Social Secretary, if anyone would like to take over, bringing new ideas, I am happy for them to shadow me to see what is involved.
