2016/17 Programme Report .

AGM 26th January 2017

Firstly a big thankyou to Rose Hardisty for her organisation of the 2015/2016 programme . All meetings were very well attended . The array of speakers and topics ensured that all Members went away having enjoyed the evening.

With Rose moving away from the Group mid-term hopefully the 2016/17 programme that I have produced will be equally well received and I reiterate the comments from last years Report that feed back on speakers along with any suggestions for next years programme would be well received . If you have attended an event and a speaker or topic proved of interest it would be good to know.

I would also like to thank the Speakers themselves for their time in attending the Monthly Group Evenings which sometimes involves travelling long distance & braving our Cornish Winter weather . With this in mind Members support of these evenings demonstrates our appreciation of their efforts so hopefully we can maintain the numbers.

Lastly I think in order to keep these evenings interesting new ideas are absolutely essential and with this in mind a short tenure as organiser of the programme allows fresh thoughts and input into what is an important part of group activity . With this in mind I have offered to arrange programme for the 2017/18 season, assuming there are no other takers , but will stand down at the 2018 AGM . So if there are any members who would like to get involved in the role please let me know
