

Social Secretary's Report
Year 2017

Summer BBQ

This year our Summer BBQ was kindly hosted by Andree and Colin Stewart at their lovely garden near Summercourt. Alas we were not very fortunate with the weather and after much checking of forecasts and over optimism at 5pm a decision was made to set up outside. The drizzle descended just as we were tucking in to our steaks! Luckily we had all come prepared like true Beekeepers.

The "chefs" as always cooked delicious steaks,sausages and fish.

The varied selection of savoury and salad dishes and scrumptious desserts which we all brought to share were thoroughly enjoyed by all.

As always a lovely friendly evening.

Christmas "Do"

Your committee decided that the Christmas meal should be in a village hall again so I just organised a repeat of last year. Because the hall was booked for the Friday evening Saturday was chosen.

Not such a big turnout as last year as many members were away that weekend. Will probably move it back to Friday for 2018.

Sarah from Pengelly Garden Centre catered for us so there was masses of delicious food for everyone.

I hope everybody enjoyed themselves.

A big thank you to Julie and Tim Howes and Di and Ian Tanner for their help in setting up and everyone who helped to clear away and return the hall to normal.
