

TREASURER'S REPORT 2017

The group's finances are in very good order with an increase of £300 in our bank account.

This years increase is because of a turnaround in events with a surplus of £260 over expenses, mainly due to more shows undertaken and many more candles rolled.

We are always looking for ways to improve the Public's awareness of the importance of bees in all our lives and our shows and visits play an important part in this.
