

## TREASURER'S REPORT 2018

We finished the year with a healthy bank balance, only £100 down on last year.

Of special note, Group Purchasing raised £150, thanks to Tim's efforts to procure Ambrosia in bulk, a real win win.

If any one has ideas to help our members or raise the public's awareness of Honey Bees please let any committee member know, we will be pleased to consider them.
