2018/19 Programme Report .

AGM 24th January 2019

There have been some really good turnouts at the Monthly Meetings over the last twelve months . This is good to see as it is an indication that the topics and speakers are offering members a suitable array of discussion .

Also pleasing is the reports back from the Speakers themselves who have all given very positive feedback on the evenings from the speakers perspective.

Looking back on Highlights over the year the October Meeting involving Honey Tasting & a talk on the Asian Hornet in France from Former Members Rose Hardisty and Dominic Pearce proved very popular with other Highlights including a talk on Foraging from Holly Kellam , Clare Densley's talk on pheromone communication in the hive , Will Steynor's talk on Beekeeping as a Profitable Sideline , Simon Kellam's talk on Tree Hives and the ever popular Beekeepers Question time chaired by Colin Rees and Henry Kendal . Not forgetting the April Meeting when members met up to sample Members Honey Recipes and gave a chance to talk about the year ahead.

I would like to thank all the Speakers for presenting talks at the Monthly Group Evenings which sometimes involves travelling long distance on a winters evening and to the members themselves for supporting the evenings.

If any members have heard a speaker or a topic that proved of interest it would be helpful to advise the programme organiser and maybe we could engage them for one of the monthly meetings .

Roseland Beekeeping Group is a member of Cornwall Beekeepers Association
Registered Charity No 298470 - www.cbka.co.uk

which is an area association member of the British Beekeepers Association
Registered Charity No. 212025 - www.bbka.org.uk

Finally we are looking for a new Programme Organiser . To keep these winter meetings interesting, new ideas are absolutely essential and with this in mind a short tenure as organiser of the programme allows fresh thoughts and ideas on speakers. So if you can offer to help out for the 2019/20 programme please let me know .
