

Roseland Beekeeping Group at the Royal Cornwall Show 2018

Roseland Beekeepers were manning the Children's Area of the CBKA tent at this year's Royal Cornwall Show.

Activities included candle rolling, 200 were made, slightly up on last year, plasticine bee making, colouring worksheets and the ever popular microscopes, three telescopic with various dead bees to investigate and two compound with slides of wings and legs.

Thursday although relatively quiet included a visit from the Duchess of Cornwall who proved to be very knowledgeable about beekeeping.

Friday was a steady day and everything stepped up a notch when it started to rain on Saturday afternoon.

Volunteers from the Roseland group were also on duty providing information about the observation hive at various times on all three days.

Many thanks to the Roseland volunteers who made the event possible, John Reeve, Liz Murphy, Ian Tanner, Diana Wilkes, Carol Morrison, Jane Duffin, Hilary Ayres, Marcus, Barbara Hargreaves, Ged Gilchrist, Stuart Gibbons, Pete and Gracie Felstead, Liam Julian, Jim and Sue Stevens, Robin Villis for spending most of Saturday with the observation hive and Bajka for all her great ideas and giant bees!
