

Social Secretary's Report

The annual Roseland Bee Group summer bbq was held on 30 June 2018 at Colin and Andree Stuart's home. It was well attended and the earlier start time of 4pm appeared to be popular. We were lucky with the weather and feedback on the event was positive.

The evening xmas dinner for the Roseland Bee Group was held at The Barley Sheaf pub in Gorran Haven on the 1st December 2018. We benefited from sole use of the upstairs function room and there was good feedback on the menu provided. There were 29 attendees which made for a successful evening, in particular it allowed for an eclectic lucky dip which added to the occasion.
