

ROSELAND BEE GROUP
CHAIRMAN'S REPORT
2024

2024 was not a brilliant year for the bees, the weather seemed to favour ducks not bees! But our girls are a hardy lot and they seem to have survived. Provided they have enough stores to see them through to Spring the cycle will start all over again.

I would like to thank

Marcus for all his work as Secretary.

Martin for taking on so many roles, Social Secretary, Events co-ordinator, and Group Purchasing Czar, where would we be without you so thanks again.

Jayne for looking after our contribution to the Royal Cornwall Show.

Stuart our Bee Buddy organizer.

Adam for keeping our Website up to date.

Tom and Darren for all their work at the Group Apiary.

My hope, as it is every year, is to see more and more of you our members both at the group meetings and our social events.

Geoff Hodgson
Chair
